REVOLUTION M5

powered by 

The highest performing Revolution.

Designed for even higher performance, nearly doubling the power of the M4. Cleaning, removing hard deposits, lining removal, and cutting/reinstatements can be tackled by the Revolution M5. High speed drain cleaning applications in 4" to 12" pipes and liner removal in 3" to 9" pipes. With a reach of 59' that can be lengthened by using up to two 36' shaft extensions.

One-day training course at Picote Solutions required with purchase of the M5.
