

Budget-friendly, field repairable sewer inspection camera from Spartan Tool.

The Traveler Lite is a budget-friendly, field-repairable, open-reel camera system for general inspection and locating jobs in 2" to 4" pipe sizes. It features a 23mm (0.9 inch) camera head (self-leveling available) with LED lights and 130-foot push rod. With its 8-hour battery life, the Traveler Lite won't let you down on the job. It is designed to be used with an iOS or Android device (not included). The Traveler Lite runs on the Spartan Vision app, which includes a free PDF report builder, audio voiceover recording, and more.
