URBAN WARRIOR
powered by **Rioned**

Exceeding your expectations in design, performance, and reliability.

Our Warrior jetter lineup has expanded and it is more versatile than ever! The Urban Warrior hydro-jetter packs a big punch in a compact package. Utilizing a 50 HP Kubota gas engine that provides 3,000 PSI at 19 GPM, the Urban Warrior fits into Chevy Express, GMC Cargo, and Ford Transit vans, leaving ample space for your other machinery and tools. The high-pressure hose reel holds 360' of hose and pivots 180° for ease of use in all situations. No matter how tight of a spot you're in, the Urban Warrior can help!

SPECS

- Pipe sizes: up to 18" diameter
- Pressure: 3,000 PSI
- Flow: 19 GPM
- Standard hose: 360' of 1/2" cleaning hose; 115' filling hose
- Weight: 1,200 lbs empty
- Size: 57 3/4" L x 49" W x 49 9/16" H
- Engine: 50 HP gasoline engine
- Tank capacity: 160 gallons (2 x 80 gallons), expandable
- Frame: steel, powder coated
- Radio mode: 7-channel and 9-channel, 915 Mhz (optional remote)
- Warranty: (1) year limited warranty

FEATURES

- Speck/Giant P52 pump delivers 3,000 PSI at 19 GPM
- Pivoting 180° hose reel, hydraulically operated with mechanical run free bolt
- Reel accommodates up to 360' of 1/2" high pressure hose
- Kubota WG1605 gasoline engine
- Two 80 gallon water tanks
- Run dry protection with overrun
- Van types: Chevrolet Express, GMC Cargo, Ford Transit (medium height)
- 7 or 9-channel radio, 915 Mhz radio mode for optional remote
- eControl + control panel with LCD display
- Manually controlled jump jet
- Hose length counter
- Remote control

SAFETY

- Electric locking mechanism for easy pivoting and safety
- Automatic engine shut down for high water temperature, engine temperature, low engine oil, or low cooling liquid

OPTIONAL ITEMS

- Extra water tanks: 4 x 80 gallons (instead of 2 x 80 gallons)
- Antifreeze tank with circulation
